## **DRIVE-THRU VACCINE CLINIC FOR 1000+ AT JESUIT HIGH SCHOOL SACRAMENTO** **Over 3100 have been served in successful drive-through program**

- WHO:** Dr. Rusty Oshita, Urgent Care Now medical director and emergency physician and Michael Wood, principal Jesuit High School Sacramento
- WHAT:** COVID-19 Vaccine (Pfizer) drive-through clinic for 1000+ Sacramento County qualified individuals according to Tier
- WHERE:** Jesuit High School Sacramento, 4660 Fair Oaks Blvd. Carmichael, CA
- WHEN:** Sunday, February 7, 2021, 8:00 AM – 1:00 PM

SACRAMENTO— The Jesuit High School Sacramento facilities and experienced logistics and events community volunteers safely and efficiently continue to be one of the largest locations supplementing the Sacramento County Department of Public Health COVID-19 vaccine program.

With a high-capacity appointment based drive-thru clinic facilitated by the Urgent Care Now medical team, over 3,100 qualified Phase 1A Tiers 1, 2 & 3 individuals from across the region have been cared for and received vaccine.

This Sunday marks clinic #4 and will serve 1,100 more patients that pre-registered on the [SacCounty.net](https://www.sacounty.net) site for their first dose of the Pfizer BioNTech vaccine.

The all-volunteer staff has also welcomed other organizations and school districts to shadow the program and view best practices.

Urgent Care Now Medical Director and Benchmark Research vaccine lead investigator Dr. Rusty Oshita and Jesuit High School Principal Michael Wood will be available on-site for interviews.
