JESUIT ATHLETIC PAGES

About Jesuit High School Sacramento

Founded in 1963, Jesuit High School (JHS) is a Sacramento regional Catholic high school that provides young men with a life-building experience and delivers an academically rigorous college-preparatory education to prepare graduates for lives of leadership and service.

The JHS student body represents diversity in geography, ethnicity, religious affiliation, and socio-economic background. Along with fostering a Men for Others culture of service, JHS has one of the region's most successful men's athletic programs, more than 22 visual and performing arts offerings, a robust Honors and Advanced Placement curriculum, and a club for nearly every passion.

About Jesuit Athletics

Jesuit Athletics is a community of student-athletes, coaches and staff whose primary focus is to achieve academic excellence while striving to produce teams and individuals committed to athletic competition and outstanding performance. Home of "The Marauders," Jesuit's athletic programs have won 15 national championships, 31 state championships, 128 section championships, and 319 league championships, making it one of the region's most successful high schools. Currently, JHS fields 36 teams, with two out of three Marauders playing a sport. The success of JHS student-athletes both in the classroom and on the competitive field can be seen in the 21 seniors signing letters of intent this year to continue playing their sport at the collegiate level.
