## When Should I Apply?

The 2025-2026 FAFSA will be available on or before  
**December 1, 2024**

- Should be completed in student's senior year of high school.
- Most need-based aid awarded on "first-come, first-served" basis
- Schools determine timelines for priority deadlines
- FAFSA must be completed each year the student is enrolled in college

# What do I need to know about the FAFSA?

- FAFSA is based on prior-prior year tax and income information. **2025-2026 FAFSA will ask for 2023 information.**
- Depending on personal circumstance, some students could be considered “independent” and not required to report parent information
- Student Aid Index (SAI) is result of filing – can be as low as -1,500
- Direct Data Exchange transfers IRS information, consent is required
- Parents will be invited as contributors to complete their sections of the form

## How can I prepare for the FAFSA?

- Make sure 2023 taxes are filed with the IRS
- Create FSA IDs for both student and parent
- Determine Parent of Record
- Create school list – FAFSA can hold up to 20 schools at one time
- Make note of priority deadlines at schools where students are planning on applying

## Understanding the FAFSA® Form

2 of 4

### Contributors to the FAFSA® Form

#### Parents or Spouses

Your answers on the FAFSA form will determine if any contributors need to be identified. These contributors will complete their own sections of the form and are asked to provide personal and financial information, but will not become financially responsible for your education.

#### → How to Invite

Contributors will need to log in with their own FSA ID to provide their information. To invite a contributor to your FAFSA form, you'll need to provide their name, date of birth, Social Security number, and email address.

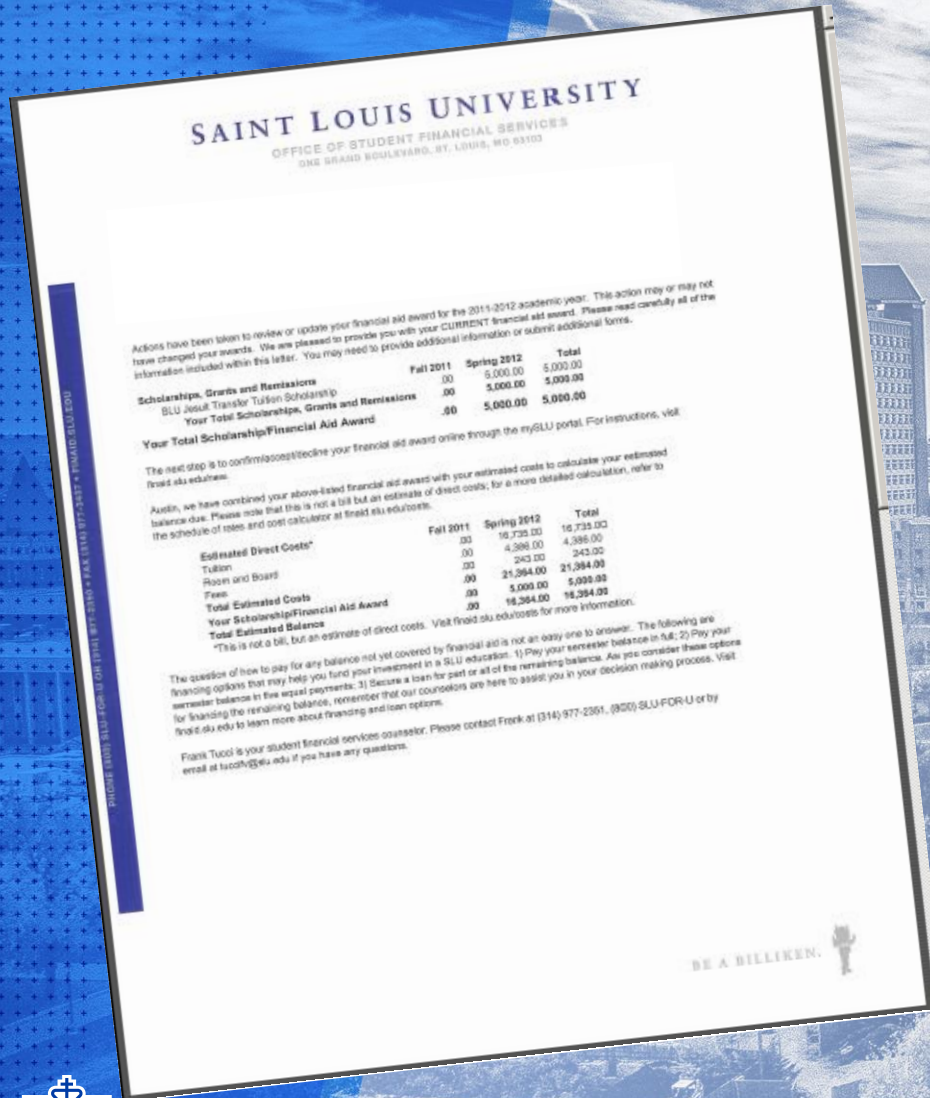

#### Information or Documents You May Need ^

You might need the following information or documents as you fill out the FAFSA form:

- Tax returns
- Records of child support received
- Current balances of cash, savings, and checking accounts
- Net worth of investments, businesses, and farms

# Financial Aid Offers
