

Full-Time, Head Athletic Trainer & Sports Medicine Instructor

8 - 12 week assignment, beginning August 2024

Jesuit High School, Sacramento is currently accepting applications for a part-time Athletic Trainer & Sports Medicine Instructor, for an 8 to 12-week assignment, beginning August 2024

Job Summary/Responsibilities

Educator

- Plan and implement an instruction of educational coursework and skills-based learning to students who may be interested in pursuing careers in Sports Medicine, Athletic Training, Physical Therapy, and other Kinesiology related Fields.

Athletic Training

- Provides athletic training services to student athletes engaged in various school sports. The athletic trainer organizes, evaluates, educates, documents, and participates in program care, treatment, rehabilitation, and prevention of physical injuries. The athletic trainer also coordinates care (and referrals) of athletic injuries and communicates with coaches, athletes and their parents.

Qualifications

Education

- Master's degree in Kinesiology, Human Biology, Health Sciences or Biomechanics preferred.
- A Bachelor's degree from an accredited college or university with major course work in health education, physical education, sports medicine, or a related field.

Experience

- Minimum two years training experience in a highly competitive, high school, college preparatory or university environment.

Licenses/Certifications/Registrations

- A valid Athletic Trainer Certification (ATC) by the Board of Certification (BOC) of the National Athletic Trainers Association must be maintained as a condition of employment.
- A valid American Red Cross or American Heart Association certificate in Cardiopulmonary Resuscitation/Automated External Defibrillators for the Professional Rescuer or equivalent.
- A valid American Red Cross or American Heart Association First Aid certificate or equivalent. **A valid Class "C" California driver's license. Travel to locations may be required
